

Naming Opportunities

Bridges to Independence wishes to commemorate the generosity of our campaign supporters by naming spaces in our new headquarters in recognition of leadership gifts. Donors may choose from a range of naming opportunities – including naming the headquarters itself.

This is a wonderful way to have your name permanently reflect your contribution to Bridges to Independence.

Gifts may be designated to show personalized participation, to honor a friend or relative, or to evidence the support of a business or organization. A plaque, inscribed according to the wishes of the donor, will mark each named location.

In addition, all donors who contribute \$1,000 or more will be recognized on a plaque in our new lobby. If preferred, donors may remain anonymous.

Donations may be made as a one-time gift or a multi-year pledge. All donations will be tax deductible to the fullest extent allowed by law.

For more information about naming opportunities, please contact:

Jeanette Norton, Director of Development
jnorton@bridges2.org
(703) 525-7177 x112.

Headquarters (1 available) \$500,000

Create a lasting legacy for your business, foundation, or family by donating at the highest level for an exclusive naming opportunity of our new headquarters and education training center, the future hub of our diverse programming and activities. In recognition of this extraordinary support, our premiere donor will be featured on exterior, indelible signage, as well as within our new open-space lobby. Upon pledge confirmation, the donor will be prominently featured on all campaign materials (print and electronic), included in all media coverage, and have an opportunity to speak at the ribbon cutting ceremony. We will also consider other benefits upon the donor's request, particularly those that have potential to bring mutual benefit.

~~Large Conference Room (1 available) \$100,000~~ **RESERVED**

Bring state-of-the-art technology to Bridges and boost group trainings on topics such as money management, preparing for employment, advancing computer skills, and more. The large conference room will also serve as the central meeting space for staff and board meetings, volunteer orientations, community convenings, and social events. This room will have a street view and comprise a large conference table, ergonomically designed seating, and natural lighting.

Children's Room (1 available) \$100,000

The children's room will be the focal point of all youth programs, which integrate academic support, life skills, and employment readiness. The space will be utilized for everything from homework and SAT help to arts, crafts, and game nights. The large open space will include flexible classroom seating, computer workstations, and a large screen. When adult clients are participating in trainings or counseling sessions, the children's room is where supervised childcare will take place.

Lobby (1 available) \$100,000

Help us welcome visitors and clients to Bridges with comfortable seating and an inviting, open concept design. The lobby overlooks the entire facility.

Counseling Suite (1 available) \$75,000

Conveniently located off the lobby area in a highly visible and accessible location, the counseling suite will be Bridges' first space ever dedicated solely to client counseling. Clients will have a cozy, comfortable, and private space for individual consultations with case managers, financial counselors, or social workers.

Small Conference Room (1 available) \$75,000

A necessary space for small group meetings, educational trainings, tutoring, and mentoring sessions. Complementing Bridges' integrated service delivery system, this multi-function room will comprise tables and seating configurable and adaptable to suit client and staff needs.

BRIDGES
TO INDEPENDENCE

Naming Opportunities

Reading Nook (1 Available) \$50,000

Help us promote healthy development and a strong foundation for school success by supporting the reading nook. Located within the children's room, this area will serve as both a library and quiet space with age-appropriate reading materials. Older youth will find this a fun study space with its unique and comfortable seating.

Staff Work Area (1 Available) \$50,000

Help us give our staff the best working environment. Located in the center of it all, the completely open staff work area will feature 21st century office amenities and staff workstations.

Classroom (2 Available) \$25,000 each

Our two classrooms provide flexible workspaces that facilitate small group work and one-to-one instruction. Uniquely suited to our mission, here our clients can apply for a job, complete a college application, or practice their English language skills with a tutor.

Entry Foyer (1 Available) \$25,000

A welcoming space, the entry foyer is the first thing visitors and clients will see when they enter Bridges.

Executive Director Office (1 Available) \$15,000

The Executive Director leads our internal operations and is the main spokesman for Bridges to Independence.

Storage Room (1 Available) \$15,000

A much needed space for storing program materials and other necessities that make our organization run.

Staff Office (1 Available) \$15,000

A private workspace for our key staff.

Client Computer Workstations (12 Available) \$10,000 each

Located in the children's room and classrooms.

Reception Stairs (1 Available) \$10,000

Connects the lobby to the open work area.

Reception Ramp (1 Available) \$10,000

Connects the lobby to the open work area.

Open Office Computer Workstations (6 Available) \$5,000 each

Located within the open work area, these workstations will be used by our vital staff members.

~~Kitchenette (1 Available) \$5,000~~ **RESERVED**

Where staff will prepare nutritious snacks for client trainings and tutoring sessions.

~~Print/Supply Counter (1 Available) \$5,000~~ **RESERVED**

An essential workspace for printing and collating program documents.

~~Water Fountain (1 Available) \$5,000~~ **RESERVED**

Keep clients and staff hydrated and healthy.
