2019 LEMONADE STAND

Volunteer Orientation
Our Mission:
Bridges to Independence leads individuals and families out of homelessness and into stable, independent futures.

Our History:
Founded in 1985, Bridges has been serving people experiencing homelessness since we were founded as the Arlington-Alexandria Coalition for the Homeless. We started with a 20-bed shelter in Fairfax before moving to our present location in 1989.
Through a dedicated and committed team of management, staff and volunteers, Bridges serves over 500 people each year throughout Arlington County and the City of Alexandria.

Those experiencing homelessness.
Those in need of affordable housing.
Those in need of supportive services.

WHAT IS LEMONADE STAND: A REFRESHING WAY TO GIVE BACK!

Bridges’ staple summer youth program where our youth learn good decision-making, a strong work ethic, and salesmanship through management of their own lemonade stand. At the end of the summer, half of the money raised is used for participants to open their very first savings account and the other half supports a field trip to a theme park.
