

SPRINKLE KINDNESS THROUGH YOUR HOLIDAY
SEASON AND BECOME A

HOLIDAY HELPER

October 15th - December 15th

Sponsor a family at Bridges and help
make their holiday wishes come true!

How does it work?

It costs \$50 to sponsor a child and \$100 to sponsor an adult. Once you have been assigned a family, you can purchase or collect general gift cards (Visa and Mastercard gift cards are preferred for their accessibility). Gift cards empower our families to purchase the gifts they know their family members need or want.

Once you know the target family size you are looking to sponsor reach out to Emmy at ehamed@bridges2.org to begin. You can sponsor a family on your own or collaborate with your friends, families, congregations, or coworkers to sponsor multiple families.
