Form 990, Part III, Line 1, Description of Organization Mission:

Coalition for the Homeless. We offer a continuum of aid and support for all family members, helping them attain financial security and move forward into self-sufficiency. As homelessness is often episodic, our other priority is working closely with former participants to ensure they are able to remain securely housed and do not fall into homelessness again.

Form 990, Part III, Line 4a, Program Service Accomplishments:

--Rapid Re-Housing: Rapid re-housing is provided in Arlington County and the City of Alexandria. Our goal is to move families into safe, affordable, and permanent housing as quickly as possible. Participants secure and maintain a lease in their own name, while receiving Bridges' ongoing supportive services-including connection to community resources, financial assistance, and intensive case management.

--Employment Services (Bridge To Work): Our employment services help participants find, secure, and retain stable employment. We meet individuals where they are and provide what they need for where they want to go. For some that is obtaining a specialized trade certification, for others it is translating their existing skill set to new opportunities. We provide group training and one-on-one mentorship while breaking down barriers to employment, such as transportation and child care.

--Financial Literacy: Bridges works with participants to increase their financial knowledge and skills, while emphasizing household budgeting and credit repair. In collaboration with community partners, we offer customized financial literacy workshops, tax preparation classes, and one-on-one coaching with financial professionals.

--Youth Development: Youth at-risk for or experiencing homelessness can be a forgotten population. These children are often suffering from trauma, poor physical/mental health, stress, developmental delays, and missed educational opportunities. Our youth development programming addresses these factors and increases the academic skills, self-esteem, college readiness, and overall well-being of the children we serve.

Form 990, Part VI, Section A, line 4:

During 2018, the Board changed the following within the Organization's by-laws:

One of the changes is in regards to our annual election for officers. We propose electing new officers in December with terms to begin January 1. The Governance Committee is responsible for the nominations process. You will see that we are recommending a reduction in the number of Executive Committee members (combining two secretary positions into one.)

The Governance Committee and Executive Committees have discussed at length instituting new procedures for the Exec Comm. Our recommended process (dates are fluid in this) is that nominations (of others or self) are

submitted to the Chair of the Governance Committee by November 15. The Governance Committee would then propose a recommended slate of officers by December 1.

Executive Committee officers who assume a role on the Executive Committee should presume a rotation of positions and expect/desire to follow a progression from Secretary to Vice President to President to Immediate Past President. The role of Treasurer is not assumed to be part of this progression as the duties of Treasurer are unique, however Treasurer could lead to the progression articulated above if so desired/warranted. Thusly, each year, we would be filling the Secretary position as that person moves on to the Vice President role. However, because we are recommending that we combine the Secretary roles going forward, for 2019 we would not have an "opening" in the Secretary slot as only one of current Secretaries would move into the Vice President slot.
